Sorority Plans Hi Neighbor Project

The "Hi Neighbor" project of Beta Sigma Phi in Appomattox is starting another fiscal year. Delta Zeta chapter, sponsor of the project, wishes to thank all of the merchants who have participated for having helped to make this project such a success. Such a service is not only beneficial to the new members of our community but also encourages them to shop within the area thus helping local merchants as well.

Delta Zeta is in the process of preparing new booklets that will acquaint newcomers with our town and advertised the businesses participating in the "Hi Neighbor" project. Any merchant who did not participate last year and is interested in being included in the "Hi Neighbor" project this year, is asked to contact Mrs. Richard Bartelt for further details. The booklet is due to go to press soon so do not delay if you are interested in being included. There is no charge for this service, the chapter pays all printing fees and distributes the booklets free of charge.
